INTERNSHIPS

Web Development

Directi (Gurgaon)

Jan 2017 - Present

I have worked as Front-end Developer at Directi, Zeta for first 3 months. Added various modules on their dashboard using HTML, CSS, JavaScript and Jquery. Now, I will be working on front-end of projects at Directi, Media.net using ReactJs.

Web Development And Graphic Design

Apportunity (Virtual)

Oct 2016 - Dec 2016

It is a UK project of creating Career Advising website. I have made responsive frontend & backend using PHP and MySql. I have created wireframes & UI/UX design. I have linked PayPal payment gateway for payments. It is live at www.myapportunity.co.uk

Web Development

Alpha Fitness Pro (Virtual)

Oct 2016 - Oct 2016

I have developed and modified old design of few webpages of www.alphafitnesspro.com using PHP and Bootstrap.

Web Development

OJam (Virtual)

Sep 2016 - Nov 2016

I have developed backend of invite/referral system for www.ojamapp.com using PHP and MySql from scratch. I hosted the website too.

Frontend Developer

MutterFly (Virtual)

Sep 2016 - Oct 2016

I have developed the main website of 10-14 pages which I need to convert from PSD to HTML using HTML, CSS, Bootstrap and mobile responsive design. You can see dummy UI at mutterfly-web.esy.es

Frontend Developer

The Climber (Virtual)

Sep 2016 - Oct 2016

I have converted PSD to HTML for their dashboard and landing page using Bootstrap into responsive design.

Software Engineer Intern

Zapplon (Delhi)

Jul 2016 - Sep 2016

I have developed responsive frontend of website www.zapplon.com from scratch. I have used Ajax to give server calls to REST API using PHP.

Frontend Developer Intern

lamwire (Gurgaon)

Jun 2016 - Jul 2016

I made changes in their website to make it mobile responsive.

PHP Development

AaramShop Pvt. Ltd. (Delhi)

Jun 2015 - Jul 2015

I worked on company's live admin panel and added functionalities to it , made in Codelgnitor.

POSITIONS OF RESPONSIBILITY

 Publicity Head at SIAM-DTU (Society for Industrial and Applied Mathematics) -

I have the responsibilities of doing online publicity, offline publicity, coordinating with juniors and organising events for the society.

PROJECTS

Data Analysis

Sep 2015 - Nov 2015

I did "Analysis of Cyber Crime in India using K-means Clustering Algorithm" to cluster the population into low, mid and high crime rates. Then I did clustering on high crime rate population into low and high crime age groups.
